

GLOOMHAVEN - Forgotten Circles

NEUF / Anglais

Marque : Cephalofair Games

Référence : CPH0211

Prix : 35.95 €

Descriptif :

Etat : NEUF SOUS BLISTER

In this first expansion for Gloomhaven, players will delve into twenty new scenarios that take place after the events of the original Gloomhaven campaign. These new adventures will involve one new character class—the Aesther Diviner—and her attempts to prevent an approaching calamity. The accompanying scenario book breaks up these scenarios across multiple pages to create more dynamic and surprising encounters. The expansion also features seven new monster types (including three new bosses) and fourteen new items.
