Référence : ULIWG2003

Prix : 18.50 €

Descriptif :

Etat : NEUF SOUS BLISTER

The Wrath & Glory Combat Complications deck contains 55 cards detailing possible mishaps that could occur during a pitched battle. Your character’s gun might jam, or your enemy’s chainaxe might get lodged into a bulkhead! Complications add something interesting to the scene, and this deck is a great way to either generate ideas or to provide a complication if the players have trouble thinking of something to fit the scene.
