“The story is that there’s a whole legion of devils seen sometimes on that reef—sprawled about, or darting in and out of some kind of caves near the top.” — H.P. Lovecraft

The Summons of the Deep expansion to the Call of Cthulhu Living Card Game continues with its fourth monthly Asylum Pack of 40 fixed cards, The Terror of the Tides. It contains 20 different never-before-seen cards that place a newfound emphasis on the Arcane struggle, designed to augment existing decks and add variety to the Call of Cthulhu metagame.
