

D20 - The Quintessential Cleric MGP4003

NEUF / Anglais

Marque : Mongoose

Référence : MGP4003

Prix : 4.50 €

Descriptif :

Etat : NEUF

Taking an in depth look at Clerics within the d20 system, The Quintessential Cleric is dedicated to players interested in running Cleric-classed characters. Written by Sam Witt (Chaos Magic), this sourcebook gives a wealth of new skills, feats and prestige classes, but The Quintessential Cleric sets itself apart by introducing many new character options any Cleric may attempt. As well as introducing many new tricks of the trade, players will also be able to access the deepest secrets of congregations, building temples and drawing upon the raw power of faith. The Quintessential Cleric is a toolkit for every player wishing to exploit the full capabilities of his or her character.
