

AD&D Dragonlance - Dragons of Triumph DL14

OCCASION / Anglais

Marque : TSR

Référence : AA557

Prix : 15.00 €

Descriptif :

Etat : Bon (Manque la pochette et la carte !)

The incredible DRAGONLANCE saga comes to its thrilling conclusion in this high-level adventure. The Heroes face their ultimate challenge as the Queen of Darkness exerts all her might to claim Krynn as her own.

Each of six possible endings leads to the defeat of either the Queen or the Heroes, and determines whether Krynn's future is one of light or darkness.

This adventure includes an optional BATTLESYSTEM scenario on the grandest scale yet published - five armies of evil take the field against the combined forces of good!

Finally, the DM is provided with a detailed sourcebook that details endless opportunities for further adventure in the world of Krynn.

Dragons of Triumph presents the culmination of the 14-module DRAGONLANCE series, but it can also stand alone as a challenging, high-level adventure.
