D&D

4th Edition

This core D&D game supplement—a player's companion to the Eberron Campaign Guide—presents new character options for any 4th Edition D&D campaign. The Eberron Player's Guide features a new class, new race options, paragon paths and epic destinies, character backgrounds, feats, powers, rituals, magic items, and new rules for dragonmarks. All of these character options fit perfectly into the Eberron campaign setting, as well as other published and "homebrew" D&D campaigns.
