Norrath has plunged into darkness, but life and honor cling tenaciously. Hope for renewal rests with the brave, the wise, and the adventurous. But others wish Norrath to suffer exquisitely. The time of its remaking is nigh. Through pain and power, chaos will sear the world so that the fierce and the visionary may rise to rule.

EverQuest II is the continuing story of the hugely successful online gaming phenomenon. The online version is setting new standards in MMORPGs and likewise the new **EverQuest II Player's Guide** creates a new standard. Published under the Open Game License, it features a streamlined system that is 100% compatible with Open Gaming material. Sixteen races, 28 character classes, and a new Norrath will appeal to gaming veterans as well as a whole new generation of gamers.
