

BATTLETECH RPG - TechManual

OCCASION / Anglais

Marque : Catalyst Games

Référence : AB728

Prix : 60.00 €

Descriptif :

Etat : Très bon

A companion volume to Total Warfare, Classic BattleTech TechManual combines all the construction rules for the various units presented in that core rules set. More than just a rulebook, the TechManual presents numerous sourcebook-style treatises, providing the in-universe context for these units and the technologies of their development.
