From the dark and foreboding reaches of Count Strahd's Barovia to the domain of Hazlan's wizard tyrant, occult terror rules the night. Dark horrors make their home throughout the forested lands of Kartakass and a terrible mystery lies at the heart of goblin-infested Forlorn. Like the darklords who rule them, the lands of the Core reflect myriad forms of evil. The first in a series of setting sourcebooks, **Ravenloft Gazetteer I** explores some of the legendary domains of the central continent. Included herein are the domains of Barovia, Kartakass, Hazlan and Forlorn, ready and waiting for bold adventurers to explore.
