

LONE WOLF Multiplayer Game Book - Rulebook

OCCASION / Anglais

Marque : Decipher

Référence : AA203

Prix : 60.00 €

Descriptif :

Etat : Très bon +

Launched in the '80s, the Lone Wolf gamebooks quickly became firm favorites among a growing fan base. Alone among the gamebooks of their day, Lone Wolf was the only one to feature a cohesive and exciting world, and an extended campaign in which your character could grow and expand as he travelled through all 28 books of the original series. This was the first true mega-campaign!

Prepare to return to the world of Magnamund, this time with your friends. The Lone Wolf Multiplayer Gamebook is a full roleplaying game, based on the simple rules system of the solo books—it is so easy, anyone can play! The first book in this range brings you the core rules, introduces the Kai Lord character class and presents three introductory scenarios to get you started.
