

STAR WARS SAGA RPG - Threats of the Galaxy

OCCASION / Anglais

Marque : Wizards of the Coast

Référence : AB417

Prix : 45.00 €

Descriptif :

Etat : Très bon

This beautifully illustrated book gives Gamemasters ready-to-play game statistics, tactics, and encounter ideas for more than 140 creatures, droids, and characters from the SW universe. The various threats presented in this book are drawn from the SW feature films and the Expanded Universe of SW comics, video games, and novels. GMs designing their own SW adventures need to look no further than this book for encounters to challenge heroes of every level.
