Based in an alternate Earth, Malifaux uses gothic, steampunk, victorian horror with a dose of the wild west to inject fun and depth into the magical lawlessness of a world rife with monsters, necropunks, manmachine hybrids, gunslingers, and power-hungry politicians. Actively using character-driven stories to define the world of Malifaux, seek your fortune in this fast paced and brutal 32mm tabletop miniature skirmish game.

Assemble your crew and stake your claim!

No longer do you have to trust the fickle fate of a dice roll, in Malifaux you use cards, a Fate Deck, as you lead your Crew to victory with strategy, tactics and resource management, and if that isn't enough, you can Cheat Fate. Looking for scalability? Malifaux has it. Jump directly into a Scrap with 4 - 6 miniatures, ensuring a quick and brutal fight with each character having unique skills and abilities. Want to escalate it? Take it to a Brawl, bring in additional members of your faction or hire out mercenaries to do your dirty work.
