Three new Golems for your Golem Arcana Army. The Spirits of the Wildwood Zikia Expansion includes:

The Creeper - forces enemies out of cover with its Poison Spore attack, dealing damage equal to its target's current cover. The Thornbeast - erupts a cloud of thorns when it enters an enemy's region, then makes its escape with an attack that reduce its own movement cooldown. The Fen Lord - brings its own bog with it, reducing Enemy movement in his Region. With Vine Projection, the Fen Lord can pull any target, even a Colossus, closer to its deadly Swamp Trap.

Also included are three banner stands, three TDI Golem Cards (matching the figures), two double-sided Blessing & Curse tokens, and four new Relic cards that can be used to augment any Golem army:

Tears of Dyati turns the current region into Shallows terrain and protects it from Ancient Ones Shoot of Zardt repels enemies from strategic terrain, granting a free Push attack out of its current region every turn. Kajit-Ura's Horn instantly transport a friendly Golem into Medium cover Jaya's Gift dramatically increases an friendly Golem's dodge, at the cost of the Relic owner's dodge.
