

ENGEL - Creatures of the Dreamseed

NEUF / Anglais

Marque : Sword & Sorcery Studio

Référence : WWP17001

Prix : 2.50 €

Descriptif :

Etat : NEUF

To walk the length and breadth of post-apocalypse Europe to observe and record all the creatures of the Dreamseed. This journal is Friar Domenico's report and sketches of his seven years of travel tendered to the NeoBaptist Pope so that the church at its angelic orders may better know the creatures that plague the world.

Creatures of the Dreamseed is an elegant journal written in character and followed by a large appendix that provides D20 statistics for all the Dreamseed creatures.
