All the World's a Stage for Your Munchkin Demo!

Do you have friends who love Shakespeare but have never tried Munchkin? Sure, you do! Use the 17 cards in this booster, taken from Munchkin Shakespeare Deluxe with alternate art from comic illustrator Lar deSouza, to set up a short demo to introduce friends (or foes!) to the wacky world of Munchkin.

This is an expansion for Munchkin Shakespeare. It is not a stand-alone game. This is NOT a collectible or randomized set. Every Staged Demo pack is the same as every other.
