A pack of podogs has emerged from the surrounding mountains. You are trapped and degenseless. You thought you had three shots in the rifle and 10 more minutes on the stun whip. The fusion bomb? You used in yesterday.

Ah, so the character sheet wasn't such a bad idea after all?

The GAMMA WORLD Character Sheets will keep essential information easily accessible during play. Designated spaces organize the character's statistics, mutations, possessions, followers, creatures encountered, and more. This package provides 32 character sheets and tips on how to use them.

Now that you can keep track of this important information, you are ready to journey into the far future.

Now you are ready to journey into the far future.

Now you are ready for the GAMMA WORLD game.
