

TRAIL OF CTHULHU - Keeper's Resource Book and Screen

OCCASION / Anglais

Marque : Pelgrane Press

Référence : AC004

Prix : 29.00 €

Descriptif :

Etat : Très bon

It's easy to get clues with GUMSHOE, but don't make it too easy!

A coffee-proof screen shields mysteries best unseen by prying eyes. On the Keeper side are essential Trail of Cthulhu tables to lessen wear on your prized copy of ToC.

Also included is a chunky resource book for use in play—it includes clues, equipment, background info and special benefits on abilities and occupations, as well a 50 NPCs ranging from suave cultists to talkative telephone operators.
