You will require a copy of Deadzone to use this supplement.

This 64-page book contains everything you need to take your Deadzone games in a new direction, as you and a friend play through a series of interconnected scenarios to determine the fate of Nexus Psi.

Inside, you will find:

Campaign Rules - A new system for playing a series of linked games between one player controlling the Plague and an opponent controlling a different Faction.

Battlezone: Nexus Psi - A guide to the world on which the campaign is set, including the events that led to the Plague outbreak, as well as two full short stories.

Faction Focus - Background information on Deadzone's four primary factions: The Enforcers, the Plague, the Rebs and the Marauders.

Painting Guide - A series of hints and tips from the Mantic studio to help you get the most out of your Deadzone miniatures.
