Heralds of the Great Weald includes three new Zikia Golems to be used in any Golem Arcana Army. The expansion set includes a Warsprite, Ogre, and Titan class Golem.

The Nightshade, A Warsprite that uses its attack to teleport to enemies, devastating units far afield. The Prowler, A quick Ogre that roams the battlefield with a powerful AOE attack. The Earthfall, A mobile Titan that stampedes across the battlefield, capable of dealing large amounts of damage.

Also included are four new Relic Cards:

The Chalice of Mist that causes enemies to lose their way. Zephyr of Er-Haka that cleanses a Golem of all ailments. Ghora's Mask that causes enemies to flee a region. The Nihata Laurel that will lash out at enemies and pull them towards itself.
