In Acceptance of Fate, the final chapter, the characters have met with the Hearthom and learned their secrets. Now they must use that knowledge to prevent the Lords of Darkness from taking complete control of all creation. Designed for 7th - 10th level characters, this challenging adventure is only for those who wish to stake the dark heart of evil. Can you stop Akish from realizing her plan? Can you stop evil from remaking the world in its image? Gird your armor and pack your spell books, because Diomin needs Heroes and you've been chosen.
