The Wrath & Glory Wargear Card Pack contains 55 reference cards for weapons, armour, and other important gear for their heroes to survive in the 41st Millennium. Each card contains the game statistics and description of these items, making them easy to keep track of during the game. The Wargear deck puts the warband's equipment right into the player's hands, making it easy and simple to swap items or keep track of which weapon you should wield against your foes.
