D&D Attack Wing is a Dungeons & Dragons tactical flight and ground combat miniatures game, featuring pre-painted dragons, siege weaponry, and troops from the Dungeons & Dragons Forgotten Realms universe.

Utilizing the FlightPath maneuver system, command your army in epic aerial and ground combat & customize your army with spells, equipment, weapons, special abilities and more!

Jarl Horn is considered the most sinister Frost Giant alive by his clansmen, and that's saying something! His Frost Greataxe and Blackguard's Mail make him a formidable opponent as well. Few challenge his authority, and those who do soon regret their mistake.

Horn likes to hunt alone and then return home to regale his kinsmen with tales of his

adventures. But today the Frost Giant may have (literally!) bitten off more than he can chew. When he used the Horn of Blasting to cause an avalanche in the hopes of luring prey to the disaster site, he has no idea just how many creatures will arrive. Either death or glory will await him, but he will not hesitate to engage his many foes, no matter the risk...
