Travel Zombicide lets you bring the zombie hordes with you wherever you go. The game comes in a compact, durable, plastic, fold-up case that carries everything you need inside. The back side of the case even works as a game board space. With player dashboards, miniatures, dice rollers, tokens, and more, it's a complete game of Zombicide 2nd Edition in a convenient, travel-friendly size.

-Everything Included: Dice rollers, tokens, miniatures, dashboards, cards, and minis are all there.

-Durable Case and Play Surface: The entire game fits inside a durable, folding plastic case. When unfolded, the back of the case forms a perfect play surface for your games.

-Take it With You: The convenient travel size lets you bring Zombicide 2nd Edition with you to your friend's house, on vacation, or wherever you're craving some zombie-hunting action.

-A standalone game in the Zombicide universe
